MUNICIPALITY/SPONSOR: *Town of Riverhead*PROJECT ID NUMBER: *0935.61* BIN: *n/a*

PHASE: PER SCHEDULES A

WHEREAS, the continuing legislative authorization for the funding of eligible costs of Federal-aid Municipal/Sponsor streets and highway projects from the proceeds of Thruway Authority Bonds is pursuant to a chapter or chapters of the laws of New York State providing appropriations pursuant to Public Authorities Law § 380(1); and

WHEREAS, projects eligible for Marchiselli aid are identified by the State Legislature in the "Comprehensive List" published in the annual Report of the Fiscal Committees on the Executive Budget (the "Green Book"), and the Project is duly included in the current Green Book; and

WHEREAS, pursuant to authorizations therefore, NYSDOT and the Municipality/Sponsor are desirous of progressing the Project under the Federal-aid and, if applicable, Marchiselli-aid Programs; and

WHEREAS, The Legislative Body of the Municipality/Sponsor by Resolution No. 1095 adopted at meeting held on 12/1/09 approved the Project, the Municipality/Sponsor's entry into this Agreement, has appropriated necessary funds in connection with any applicable Municipal/Sponsor Deposit identified in applicable Schedules A and has further authorized the Sponsor of the Municipality/Sponsor to execute this Agreement and the applicable Schedule A on behalf of the Municipality/Sponsor and a copy of such Resolution is attached to and made a part of this Agreement (where New York City is the Municipality/Sponsor, such resolution is not required).

NOW, THEREFORE, the parties agree as follows:

1. *Documents Forming this Agreement.* The Agreement consists of the following:

o Agreement Form - this document titled "Standard Federal-Aid and Marchiselli-Aid Local Project Agreement";

o Schedule "A" - Description of Project Phase, Funding and Deposit Requirements;

o Schedule "B" - Phases, Subphase/Tasks, and Allocation of Responsibility

o Appendix "A" - New York State Required Contract Provisions

o Appendix "B" - U.S. Government Required Clauses

o Municipal/Sponsor Resolution(s) - duly adopted Municipal/Sponsor resolution authorizing the appropriate Municipal/Sponsor official to execute this Agreement on behalf of the Municipality/Sponsor and appropriating the funding required therefore. (Where New York City is the Municipality/Sponsor, such resolution is not required).

2. *General Description of Work and Responsibility for Administration and Performance.* Subject to the allocations of responsibility for administration and performance thereof as shown in Schedule B (attached), the work of the Project may consist generally of the categories of work marked and described in Schedule B for the scope and phase in effect according to Schedule A or one or more Supplemental Schedule(s) A as may hereafter be executed and approved by the parties hereto as required for a State contract, and any additions or deletions made thereto by NYSDOT subsequent to the development of such Schedule(s) A for the purposes of conforming to New York State or to Federal Highway Administration requirements.

The Municipality/Sponsor understands that funding is contingent upon the Municipality/Sponsor's compliance with the applicable requirements of the "Procedures for Locally Administered Federal Aid Projects" (available through NYSDOT's web site at: <https://www.nysdot.gov/divisions/operating/opdm/local-programs-bureau/locally-administered-federal-aid-projects>), in particular the Appendices to Chapter 4 entitled Work Requirements, Record Keeping Guidelines and Consultant Selection Procedures, as such may be amended from time to time.

3. *Municipal/Sponsor Deposit.* Where the work is performed by consultant or construction contract entered into with NYSDOT, or by NYSDOT forces, and unless the total non-Federal share of the Project phase is under \$5,000, the Municipality/Sponsor shall deposit with the State Comptroller, prior to the award of NYSDOT's contract or NYSDOT's performance of work by its own forces, the full amount of the non-Federal share of the Project costs due in accordance with Schedule A.

4. *Payment or Reimbursement of Costs.* For work performed by NYSDOT, NYSDOT will directly apply Federal aid and the required Municipal/Sponsor Deposit for the non-Federally-aided portion, and, if applicable, shall request Thruway Authority funding of Marchiselli aid to the Municipality/Sponsor as described below. For work performed by or through the Municipality/Sponsor, NYSDOT will reimburse the Municipality/Sponsor with Federal aid and, if applicable, Marchiselli aid as described below. Billing shall be no more frequent than monthly and must be submitted in no less than six month intervals.

4.1 *Federal Aid.* NYSDOT will administer Federal funds for the benefit of the Municipality/Sponsor for the Federal share and will fund the applicable percentage designated in Schedule A of Federal-aid participating costs incurred in connection with the work covered by this Agreement, subject to the limitations set forth on Schedule A. For work performed by or through the Municipality/Sponsor, NYSDOT will reimburse Federal-aid-eligible expenditures in accordance with NYSDOT policy and procedures.

4.1.1 *Participating Items.* NYSDOT shall apply Federal funds only for that work and those items that are eligible for Federal participation under Title 23 of U.S. Code, as amended, that requires Federal-aid eligible projects to be on the Federal-Aid Highway System ("FAHS"), except for bridge and safety projects that can be off the FAHS. Included among the Federal participating items are the actual cost of employee personal services, and leave and fringe benefit additives. Other participating costs include materials and supplies, equipment use charges or other Federal Participating costs directly identifiable with the eligible project.

4.1.2 *Periodic Reimbursement.* Except where the Municipality/Sponsor proceeds or has proceeded without an agreement with NYSDOT, if the Municipality/Sponsor finds it desirable to have reimbursement made periodically, upon the request and certification therefore by the Municipality/Sponsor, NYSDOT may make Federal-aid progress payments based on either:

- a. billings submitted by the consultant;
- b. payment estimates prepared by NYSDOT's Engineer-in-Charge; or
- c. billings prepared by the Municipality/Sponsor in accordance with NYSDOT requirements, based on costs incurred as disclosed by the records thereof, as required by the Project, with adjustments to be made after audit by NYSDOT or FHWA.

MUNICIPALITY/SPONSOR: *Town of Riverhead*PROJECT ID NUMBER: *0935.61* BIN: *n/a*

PHASE: PER SCHEDULES A

4.2 *Marchiselli Aid (if applicable)*. NYSDOT will request Thruway Authority reimbursement to the Municipality of the upset amount and designated percentage in Schedule A of the non-overmatched non-Federal share of Federal participating cost, (the "State share"), incurred in connection with the work covered by this Agreement, subject to the limitations set forth on Schedule A. Not all Federal-aid-eligible participating costs are eligible for Marchiselli aid. Only "Eligible Project Costs" (as defined in Marchiselli Program Instructions Issued by NYSDOT) incurred after April 1, 1991 are reimbursable.

4.2.1 *Marchiselli Eligible Project Costs*. To be eligible for Marchiselli Aid, Project costs must: (a) be eligible for Federal participation as described under 4.1; (b) be for work which, when completed, has a certifiable service life of at least 10 years; and (c) be for a work type that relates directly and exclusively to a municipally-owned highway, bridge or highway-railroad crossing off the State Highway System.

4.2.2 *Periodic Reimbursement*. Except where the Municipality proceeds or has proceeded without a Marchiselli Agreement with NYSDOT, if the Municipality finds it desirable to have reimbursement made periodically, upon the request and certification therefore by the Municipality, NYSDOT may submit a request to the Thruway Authority to make progress payments based on the amount of Federal-aid participating expenditures made to date by the New York State Comptroller. For work performed by or through the Municipality, NYSDOT will reimburse eligible Marchiselli expenditures in accordance with Marchiselli program policy and claims procedures, with adjustments to be made after audit by NYSDOT or FHWA.

4.3 In no event shall this Agreement create any obligation to the Municipality/Sponsor for funding or reimbursement of any amount in excess of:

- (a) the amount stated in Schedule A for the Federal Share; or
- (b) the amount stated in Schedule A as the State (Marchiselli) share or the amount stated in the Comprehensive List, whichever is lower.

4.4 All items included by the Municipality/Sponsor in the record of costs shall be in conformity with accounting procedures acceptable to NYSDOT and the FHWA. Such items shall be subject to audit by the State and the FHWA.

4.5 If Project-related work is performed by NYSDOT, NYSDOT will be paid for the full costs thereof. To effect such payment, the reimbursement to the Municipality/Sponsor provided for in sections 4.1 and 4.2 may be reduced by NYSDOT by the amounts thereof in excess of the Municipal/Sponsor Deposit available for such payment to NYSDOT.

5. *Supplemental Agreements and Supplemental Schedule(s) A*. Supplemental Agreements or Supplemental Schedule(s) A may be entered by the parties, and must be executed and approved in the manner required for a State contract. A Supplemental Schedule A is defined as a Supplemental Agreement which revises only the Schedule A of a prior Agreement or Supplemental Agreement. In the event Project cost estimates increase over the amounts provided for in Schedule A or Eligible Project Costs in the Comprehensive List are increased by the legislature, no additional reimbursement shall be due to the Municipality/Sponsor unless the parties enter into a Supplemental Agreement or Supplemental Schedule A for reimbursement of additional Eligible Project Costs.

6. *State Recovery of Ineligible Reimbursements.* NYSDOT shall be entitled to recover from the Municipality/Sponsor any monies paid to the Municipality/Sponsor pursuant to this Agreement which are subsequently determined to be ineligible for Federal aid or Marchiselli Aid hereunder.
7. *Loss of Federal Participation.* In the event the Municipality/Sponsor withdraws its approval of the project, suspends or delays work on the Project or takes other action that results in the loss of Federal participation for the costs incurred pursuant to this Agreement, the Municipality/Sponsor shall refund to the State all reimbursements received from the State, and shall reimburse the State for 100% of all preliminary engineering and right-of-way incidental costs incurred by NYSDOT. The State may offset any other State or Federal aid due to the Municipality/Sponsor by such amount and apply such offset to satisfy such refund.
8. *Municipal/Sponsor Liability.*
 - 8.1 If the Municipality/Sponsor performs work under this Agreement with its own forces, it shall be responsible for all damage to person or property arising from any act or negligence performed by or on behalf of the Municipality/Sponsor, its officers, agents, servants or employees, contractors, subcontractors or others in connection therewith. The Municipality/Sponsor specifically agrees that its agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.
 - 8.2 The Municipality/Sponsor shall indemnify and save harmless the State for all damages and costs arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement. Negligent performance of service, within the meaning of this section, shall include, in addition to negligence founded upon tort, negligence based upon the Municipality/Sponsor's failure to meet professional standards and resulting in obvious or patent errors in the progression of its work.
9. *Maintenance.* Except as otherwise provided for a NYSDOT administered project during its construction phase only, the Municipality/Sponsor shall be responsible for the maintenance of the project at the sole cost and expense of the Municipality/Sponsor. If the Municipality/Sponsor intends to have the project maintained by another, any necessary maintenance agreement will be executed and submitted to NYSDOT before construction of the Project is begun. Upon its completion, the Municipality/Sponsor will operate and maintain the Project at no expense to NYSDOT and, during the useful life of the Project, the Municipality/Sponsor shall not discontinue operation of the Project without the prior written approval of NYSDOT. The Municipality/Sponsor will not dispose of the Project during its useful life without the prior approval of NYSDOT. In the event of such approved disposition, the Municipality/Sponsor shall either cause the purchaser or transferee to assume the Municipality/Sponsor's continuing obligations under this Agreement, or shall reimburse NYSDOT for the pro-rata share of the grant over the remaining useful life of the Project.

MUNICIPALITY/SPONSOR: *Town of Riverhead*PROJECT ID NUMBER: *0935.61* BIN: *n/a*PHASE: *PER SCHEDULES A*

10. *Independent Contractor.* The officers and employees of the Municipality/Sponsor, in accordance with the status of the Municipality/Sponsor as an independent contractor, covenant and agree that they will conduct themselves consistent with such status, that they will neither hold themselves out as, nor claim to be, an officer or employee of the State by reason hereof, and that they will not by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the State, including, but not limited to, Workers Compensation coverage, Unemployment Insurance benefits, Social Security or Retirement membership or credit.
11. *Contract Executory; Required Federal Authorization.* It is understood by and between the parties hereto that this Agreement shall be deemed executory only to the extent of the monies available to the State and no liability on account thereof shall be incurred by the State beyond monies available for the purposes hereof. No phase of work for the project shall be commenced unless and until NYSDOT receives authorization from the Federal government.
12. *Assignment or Other Disposition of Agreement.* The Municipality/Sponsor agrees not to assign, transfer, convey, sublet or otherwise dispose of this Agreement or any part thereof, or of its right, title or interest therein, or its power to execute such Agreement to any person, company or corporation without previous consent in writing of the Commissioner.
13. *Term of Agreement.* As to the Project and phase(s) described in the Schedule A executed herewith, the term of this Agreement shall begin on the date of this Agreement as first above written. This Agreement shall remain in effect so long as Federal-aid and Marchiselli-aid funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities. However, if such authorizations or availabilities lapse and are not renewed, continued or reenacted, as to funds encumbered or available and to the extent of such encumbrances or availabilities, this Agreement shall remain in effect for the duration of such encumbrances or availabilities. Although the liquidity of encumbrances or the availability of funds may be affected by budgetary hiatuses, a Federal or State budgetary hiatus will not by itself be construed to cause a lapse in this Agreement provided any necessary Federal or State appropriations or other funding authorizations therefore are eventually enacted.
14. *NYSDOT Obligations.* NYSDOT's responsibilities and obligations are as specifically set forth in this contract, and neither NYSDOT nor any of its officers or employees shall be responsible or liable, nor shall the Municipality/Sponsor assert, make or join in any claim or demand against NYSDOT, its officers or employees, for any damages or other relief based on any alleged failure of NYSDOT, its officers or employees, to undertake or perform any act, or for undertaking or performing any act, which is not specifically required or prohibited by this Agreement.
15. *Reporting Requirements.* The Municipality/Sponsor agrees to comply with and submit to NYSDOT in a timely manner all applicable reports required under the provisions of this Agreement, the Procedures for Locally Administered Federal Aid Projects manual and in accordance with current Federal and State laws, rules, and regulations.
16. *Required Clauses.* Attached hereto and made a part of this Agreement as if set forth fully herein is Appendix A, Standard Clauses For NYS Contracts.

PROMPT PAYMENT MECHANISMS

(a) You must establish, as part of your DBE program, a contract clause to require prime contractors to pay subcontractors for satisfactory performance of their contracts no later than 7 calendar days from receipt of each payment you make to the prime contractor.

(b) You must ensure prompt and full payment of retainage from the prime contractor to the subcontractor within 7 calendar days after the subcontractor's work is satisfactorily completed. You must use one of the following methods to comply with this requirement:

(1) You may decline to hold retainage from prime contractors and prohibit prime contractors from holding retainage from subcontractors.

(2) You may decline to hold retainage from prime contractors and require a contract clause obligating prime

¹ The designated cognizant agency for audit shall be the Federal awarding agency that provides the predominant amount of direct funding to a recipient unless OMB changes it.

contractors to make prompt and full payment of any retainage kept by prime contractor to the subcontractor within 7 calendar days after the subcontractor's work is satisfactorily completed.

(3) You may hold retainage from prime contractors and provide for prompt and regular incremental acceptances of portions of the prime contract, pay retainage to prime contractors based on these acceptances, and require a contract clause obligating the prime contractor to pay all retainage owed to the subcontractor for satisfactory completion of the accepted work within 7 calendar days after your payment to the prime contractor.

(c) For purposes of this section, a subcontractor's work is satisfactorily completed when all the tasks called for in the subcontract have been accomplished and documented as required by the recipient. When a recipient has made an incremental acceptance of a portion of a prime contract, the work of a subcontractor covered by that acceptance is deemed to be satisfactorily completed.

(d) Your DBE program must provide appropriate means to enforce the requirements of this section. These means may include appropriate penalties for failure to comply, the terms and conditions of which you set. Your program may also provide that any delay or postponement of payment among the parties may take place only for good cause, with your prior written approval.

(e) You may also establish, as part of your DBE program, any of the following additional mechanisms to ensure prompt payment:

(1) A contract clause that requires prime contractors to include in their subcontracts language providing that prime contractors and subcontractors will use appropriate alternative dispute resolution mechanisms to resolve payment disputes. You may specify the nature of such mechanisms.

(2) A contract clause providing that the prime contractor will not be reimbursed for work performed by subcontractors unless and until the prime contractor ensures that the subcontractors are promptly paid for the work they have performed.

(3) Other mechanisms, consistent with this part and applicable state and local law, to ensure that DBEs and other contractors are fully and promptly paid.

ARRA REPORTING & RECORD KEEPING REQUIREMENTS
Applicable To
Transportation Projects Funded by the American Recovery & Reinvestment Act (ARRA)

The following information is applicable to public and private entities including state agencies, municipal governments, prime contractors, subcontractors and consultant firms contractually associated with State Let or Local Let transportation projects funded in total, or in part, by the ARRA.

The ARRA, signed into law on February 17, 2009, contains various reporting requirements including employment and jobs data related directly and indirectly to projects receiving funds from the legislation. The ARRA legislation requires all entities, both public and private, to make available to various State and Federal Agencies all records, documentation and related materials of ARRA funded contracts for inspection and audit purposes. The firm will submit the FHWA-1589 form on a monthly basis attached to their monthly or appropriate bi-monthly billing request. If a billing request is not available for submittal by the 10th of the month the FHWA-1589 form shall be submitted separately with supporting documentation.

The Regional Office, or M.O. Division Group receiving the monthly billing request for review, approval and signature will verify the computational accuracy of the FHWA-1589 form information, initial the form and forward a copy of the signed, original form to the M.O. Delivery Division. The original signed document will remain attached to the monthly billing request.

The firm will enter the additional employee work hour and wage information for ARRA funded capital construction contracts into the EBO (Euitable Business Opportunities) computer application as is currently required on NYSDOT construction contracts. Note that the EBO

computer application is being modified to accept the additional information required for ARRA funded contracts. Until such time the EBO application modifications are available for use contractors shall retain the required data for eventual input into EBO.

The contractor must also complete the FHWA-1589 form and submit the signed original form attached to their monthly billing request. If a billing request is not available for submitted by the 10th of the month the FHWA-1589 form shall be submitted separately with supporting documentation. The contractor is to complete the form for both their own employees and their subcontractor's employees. Subcontractors are also required to enter the information into the EBO computer application as is currently required on NYSDOT construction contracts.

For those contracts which do not require the EBO computer application the contractor is not required to use EBO, but shall only complete the FHWA-1589 form as instructed herein.

The Regional Construction Groups are responsible to verify the computational accuracy of the FHWA-1589 form information, initial the form and forward a copy of the signed, original form to the M.O. Delivery Division. The original signed document will remain attached to the monthly billing request.

- 3) For Local Municipal Governments under contract with the NYSDOT whose employees are funded by provisions of the ARRA;

The local government will submit the FHWA-1589 form on a monthly basis attached to their monthly billing request. If a billing request is not available for submittal by the 10th of the month the FHWA-1589 form shall be submitted separately with supporting documentation.

The Regional Office, or M.O. Division Group receiving the monthly billing request for review, approval and signature will verify the computational accuracy of the FHWA-1589 form information, initial the form and forward a copy of the signed, original form to the M.O. Delivery Division. The original signed document will remain attached to the monthly billing request.
